Summary of reasons for decision:

The file is a photographic image showing a girl posing in a garment made of sheer fabric that allows an indistinct impression of her body shape, and her yellow panties, to be seen. However, there are no overtly sexual elements in the image and it raises no issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The publication must, therefore, be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
